REMARKS

[REDACTED] 25X1

25X1 1. [REDACTED] about 30 soldiers were observed cleaning three AA guns of about 80 mm in the barracks installation at Kagran (P 49/X 49). Eight AA guns of about 80 mm with muzzle brakes, 2 light AA guns with funnel-shaped muzzles, and 26 trucks, including some with a van-like body, were also seen in the installation. 25X1

25X1 2. Most of the troops and a sentry observed in the billeting area of the Jaeger Kaserne including the houses on Rheinlandstrasse, Eisenstadt (P 48/X 55) [REDACTED] on 6 February wore black-bordered red epaulets but some wore red-bordered black epaulets. The latter stood near motor vehicles which they apparently operated. 25X1

25X1 Vehicles entering and leaving the Jaeger Kaserne included jeep [REDACTED] occupied by a major with black-bordered red epaulets; trucks [REDACTED] 25X1

25X1 and truck [REDACTED] which carried 20 men with submachine guns and light machine guns. All soldiers driving and riding on the trucks wore black-bordered red epaulets. Trucks [REDACTED] were parked in front of the 25X1 former Land government building. The drivers wore red-bordered black epaulets. 25X1

25X1 Jeep [REDACTED] driven by a soldier with black-bordered red epaulets, and seen 25X1 [REDACTED] the driver of which wore red-bordered black epaulets, were seen in front of the Soviet komendatura. The Kattner Siedlung (settlement) was unoccupied but guarded by a sentry who wore black-bordered red epaulets. \*\*

25X1 \* [REDACTED] Comment. The barracks installation at Kagran still quarters elements of an unidentified AAA regiment.

25X1 \*\* [REDACTED] Comment. The vehicles observed at the Jaeger Kaserne, Eisenstadt, belong to the 95th GIs MZ Rifle Div, probably to the 284th MZ Rifle Regt.
